

VOLUNTEER FIRE & RESCUE SERVICES ASSOCIATION of WA (Inc)

Notice of Motion:

“Motion to increase association affiliation fees from \$200 to \$400 plus GST at AGM”

- Was passed at the Executive Meeting on 10th August 2024, after discussion was held as fees have remained unchanged since 2012.
- There has been a significant increase in the cost of business operations since 2012 and there has been no increase in funding from DFES, and an increase in this funding from government at this point is unlikely.
- The Association has already taken steps to reduce its activities to ensure we do not erode our finances. IE: having two Executive Committee meetings attended online and a reduction in the number of Brigade events attended by Association representatives.
